Dear Sir,

The **Women Cell** of our college has been working for the cause of Women Empowerment. It is with the help of **Women Cell** our college has organized various activities for the girl students along with the women from nearby locality. Now our **Women Cell** intends to work of the women in the nearby society by having a linkage with your NGO working for the same cause. So do provide us the total information about your NGO so as to work together for Women Empowerment.

The linkage likes to concentrate on the issues like

- 1) Women subjugation by the patriarchal society.
- 2) To prevent the divorce cases by means of mutual understanding between families.
- 3) To have women participation in politics.
- 4) To form women saving groups so as to make them self reliant.

So let us join hands and work for the cause of Women Empowerment. I expect positive response from you.

Thank you
