**Spoken and Written Skills in English language in collaboration with  
Sharadchandra College, Naigaon**

The Department of English of Sharadchandra College Naigaon Bz., in academic collaboration with the Department of English, A.C.S. College Shankarnagar, has ventured upon a new teaching-learning activity from the academic year 2021-22 to improve the students' **speaking and writing** skill in English. Thereby, the department is starting two **online and self-paced** courses for the students. The teachers from both the colleges also will interact with the students from time to time to improve their **speaking and writing skills**. All the students of both these colleges are therefore advised to take benefit of their teachers and get further benefit of improvement in spoken and written English skills. For information, contact the English professors from the Department of English of your respective college.

**Activities Undertaken**

Both the colleges as a part of MOU that began in 2017 agree to arrange various student centred activities. As a part of this MOU both the colleges organized various activities. These include:
